

## **Presbyterian Women**

### **September '07 ~ May '08**

Our circle was successful in our goals under the leadership of Pat Worley. We opened the September meeting with a salad luncheon in the fellowship hall.

After completing circle business, an overview of the books of Jonah and Ruth enlightened us about our Bible Study for the year.

Four of our members attended a leadership training retreat at Pinetreat in September.

We hosted World Community Day, sponsored by Church Women United, in October. Several of our ladies were on the program.

Following the program we provided a

delicious luncheon in the fellowship hall.

In December we were guests of the Foley First Presbyterian church Bible study given by their pastor, Jay Warthen. Afterwards we enjoyed a delightful Christmas luncheon and Christmas music given by the host church.

Beautifully decorated Craft Farms was our own setting for our own Christmas luncheon.

We were able to send a generous donation to the children's home in Talladega enabling them to have a joyful Christmas celebration for all of the children there. The PW's efforts in this area were very rewarding for all involved.

Other projects undertaken were a clothes drive for the Clothes Closet,

knitting baby caps for newborns, having a personal care shower for the Lighthouse, sending 10 items for sale to the Alabama & Mississippi conference in Birmingham to be sold at the country store.

Our final study of the year and PW Birthday Party was hosted by Pat Worley in her home. Pat is a gourmet cook so you know we enjoyed her presentation of a delicious meal in gracious surroundings.

During the year, our two books of the Bible were taught in interesting & diverse ways by Anne Douglas, Becky Leak, Nancy Potter, Sally Hobbs, Katie Aiken, Terry Ellis & Pat Worley.

As you can tell, we are a busy group of ladies who like to eat, laugh, complete projects, enjoy fellowship, study God's word, helping other and serving our Lord.

## **ALL LADIES MEMBERS & GUESTS**
